The National University of Public Service (NUPS) from Budapest and international Partners organize the Doctoral Summer University in Budapest, Hungary. The Summer University is one of the most innovative and pioneering scientific project. **For four days international experts reverse roles with doctoral candidates.** PhD candidates from all over Europe, especially from Visegrad countries, present their doctoral presentations and the international experts review and develop them and give candidates professional feedback.

Our international Partners: Maria Curie-Skłodowska University in Lublin, Poland – Prof. Waldemar Paruch, Masaryk University in Brno, Czech Republic – Prof. Jan Holzer, Postgraduate International Network, Hungary – Dr Greta Czene.

The research areas at the Doctoral Summer University are:

- civil society,
- democratization,
- human rights,
- regional cooperation,
- economic and social transformation,

- e-learning,
- public health,
- e-health.

The Doctoral Summer University takes place from 3rd to 6th September 2014. The Summer University is under preparation. Still we provide improvements and implement ideas. We will recruit PhD candidates and invite the best international experts from all over Europe.

We look forward to cooperation.
